White teas

BAI MU DAN (White Peony)

☕☕ 28 zł

The most famous white tea. Sweet and intense (for a white tea), with fruity and meadow-like notes. Its delicate, light amber infusion is perfect for lovers of subtle yet distinctive flavors.

GUANGXI SILVER NEEDLE

☕☕ 29 zł

A white tea made from the youngest leaf buds. It offers a delicate, slightly sweet flavor with a subtle smoky note and a floral-honey aroma that deepens with each infusion.

WHITE NEPAL HIMALAYAN

☕☕ 28 zł

An exceptional white tea from Nepal with notes of peach and mango. It offers a delicate flavor with a subtle, long-lasting finish. Grown in the Himalayan region and cultivated using orthodox methods without the use of chemicals.

YA BAO YESHENG

Young buds from wild tea trees in Yunnan province, sometimes referred to as "white pu-erh" due to their origin from the same trees as pu-erh. It is characterized by a unique flavor of pine needles with notes of watermelon and vanilla.

YUE GUANG BAI „MOONLIGHT” ☕☕ 28 zł

A white tea with a full, sweet flavor and malty notes. Its character changes depending on the brewing temperature: at lower temperatures, it resembles a white tea; at higher temperatures, it becomes similar to a Yunnan black tea. Its name refers to the unusual withering process, which sometimes takes place under the light of the moon.

Premium

HONG YU BAICHA

☕☕ 32 zł

An exceptional white tea with aromas of tropical fruits and a delicate menthol-eucalyptus note characteristic of the Hong Yu cultivar. Sweet, refreshing, and free of bitterness, it combines the production techniques of white and black teas to create a harmonious, vibrant infusion. Please ask the staff about availability.

White teas

with additions

BAI MU DAN ROSE

☕☕ 28 zł

A blend of Bai Mu Dan white tea with rose petals and a delicate rose aroma. The subtly sweet fragrance of rose petals harmonizes with the natural sweetness of Bai Mu Dan, creating a light floral finish.

BIAŁY ANIOŁ

☕☕ 28 zł

A classic Bai Mu Dan white tea accompanied by sunflower and cornflower blossoms. This pleasantly relaxing tea produces a light yellow infusion with a creamy flavor and an aroma of white chocolate.

STRAWBERRY WHITE TEA

☕☕ 28 zł

A flavored tea based on classic Shou Mei white tea, enriched with pieces of freeze-dried strawberries. A delicate composition with a pale yellow, smooth infusion and a strawberry-cream flavor.

JASMINE LYCHEE BALL

☕ 28 zł

A blooming white tea from Fujian, scented with jasmine and hand-rolled into a ball with a pink flower. It offers a beautiful aroma and a well-balanced jasmine flavor. Served in a glass teapot, allowing you to admire the tea as it gracefully unfolds into a blossom.

PHOENIX PEARL

(Imperial Pearl)

☕☕ 30 zł

A delicate jasmine tea, hand-rolled into small pearls. It has a distinct yet subtle jasmine aroma that does not overpower the natural taste of the tea. High-quality leaves with a large number of tips ensure a long and pleasant finish.

PASSION FRUIT & PEACH

☕☕ 28 zł

A naturally flavored white tea from the Satemwa estate in Malawi. Sweet and juicy, with notes of peach and passion fruit, gently balanced by the subtle tartness of hibiscus and rosehip. A refreshing composition based on high-quality Malawi White Peony tea.

Yellow teas

HUANG XIAO

☕☕ 28 zł

A traditional yellow tea, known since the Ming dynasty, made from young, fully developed leaves. It produces a full-bodied infusion with a nutty aroma and notes of chocolate. Award-winning, simple yet exceptionally enjoyable.

HUOSHAN HUANG YA (Huoshan Yellow Buds)

☕☕ 32 zł

One of the classic yellow teas, with a gentle, sweet-roasted, and floral aroma. The infusion is refreshing and floral, leaving a delicate sensation of astringency and sweetness on the palate. Traditionally dried over hot charcoal.

HUOSHAN HUANG DA

☕☕ 32 zł

A yellow tea that undergoes a much longer maturation ('yellowing') process resulting in an intense roasted character. Tobacco and caramel aromas intertwine with warm, slightly marine notes. Bold, deep, and distinctive – it resembles young heicha more than classic yellow teas, making it an intriguing choice for lovers of expressive flavors.

Oolong teas

BAGUA HONG SHUI

☕☕ 30 zł

Oolong tea with honey-like and roasted flavour profile. It offers notes of buckwheat honey, incense, and an intensely roasted leaf aroma. Its lighter infusion reflects the prolonged, multi-stage roasting process.

DA HONG PAO

☕☕ 28 zł

A legendary tea known during the Qing dynasty as the “King of Tea.” A heavily oxidized and roasted oolong from the Wuyi Mountains. Our version is a standard-grade Da Hong Pao, blended from different tea cultivars. It offers a characteristic mineral profile with subtle floral notes and a pleasant finish.

DONG DING OOLONG

☕☕ 30 zł

One of the most recognizable teas from Taiwan. Its aroma reveals floral and caramel notes. The flavor brings out nutty and caramel nuances, while the tea remains light, like lighter oolongs. An ideal balance between dark and light oolongs.

GABA OOLONG

☕☕ 30 zł

A Taiwanese oolong with a high content of GABA, an important neurotransmitter in the brain. Medium oxidized and medium roasted, organically cultivated. It offers a cookie-like aroma with notes of dried fruit, and a flavor reminiscent of maple syrup and plums.

JIANDOU TIE GUAN YIN

☕☕ 30 zł

A classic high-quality light Tie Guan Yin oolong from organic cultivation. The infusion is pale straw-colored, distinctly floral, refreshing, and slightly tart, with a pleasant finish. Its aroma is reminiscent of lilac and privet blossoms.

JIN XUAN OOLONG

☕☕ 30 zł

Produced since 1981 and loved around the world. It offers a creamy, slightly sweet, and refreshing flavor with a floral accent. Its lightly buttery aroma and milky texture inspired the creation of Milk Oolong tea.

KACZA KUPA

☕☕ 33 zł

One of the most beautifully fragrant teas. Despite its unusual name, this oolong delights with a floral and tropical aroma and a creamy flavor. It is a Dancong in the “qingxiang” style, meaning lightly oxidized and lightly roasted.

Premium

LISHAN NATURAL FARMING OOLONG

☕☕ 42 zł

A high-mountain Taiwanese oolong from natural cultivation, with an exceptionally clean and well-balanced flavor. Its delicate floral-fruity aroma is complemented by a long, sweet finish and a subtle grape-like astringency. A refined yet remarkably deep tea from the Lishan massif (1600 m above sea level) – the essence of Taiwanese oolong elegance.

MILK OOLONG

☕☕ 29 zł

The leaves of this light oolong have been infused with a milky aroma, creating a harmonious composition with a silky-smooth flavor and a captivating, sweet fragrance. An excellent choice for those beginning their journey into the world of tea.

SI JI CHUN OOLONG

☕☕ 30 zł

A popular Taiwanese oolong from organic cultivation. It offers an intensely floral aroma with notes of lily of the valley, lilac, and jasmine. Sweet and delicate in flavor, it is ideal for beginners, yet still highly enjoyable for experienced tea enthusiasts.

QVEVRI ETSERI GABA

☕☕ 29 zł

A Georgian tea with a distinctive character, combining modern GABA tea processing techniques with the tradition of qvevri wine amphorae. Light, with a gently tart and fruity profile, it reveals clear notes of grapes and a bright orange infusion. Subtle yet vibrant, it is ideal for extended brewing or prepared in the gongfu cha style.

Premium

YUSHAN GABA OOLONG

☕☕ 34 zł

A high-mountain Taiwanese oolong with elevated GABA content, captivating with a fresh, fruity aroma. Sweet, smooth, and free of bitterness, it produces a light orange infusion and features large leaves from organic cultivation. Unroasted, it expresses the full, pure character of tea from the Yushan Mountains (approx. 1300 m above sea level).

Green teas

China

ENSHI YULU

☕☕ 28 zł

A Chinese green tea processed using steam, similar to most Japanese teas. Organically cultivated, it is unique and rare, yet classic and highly enjoyable. The infusion is clear and green, with dominant floral notes rather than the marine (seaweed) and fruity character typical of Japanese sencha.

GUIZHOU LUBAOSHI

☕☕ 27 zł

Green tea rolled into small pearl-shaped pellets. Simple yet enjoyable, fresh and sweet, with a highly aromatic infusion. Its production process gives it an almost oolong-like aromatic character, making it unique and well worth trying.

KEKECHA (Cocoa Tea)

☕☕ 28 zł

A tea made from the leaves of *Camellia ptilophylla*, naturally caffeine-free, with a delicate, slightly sweet flavor featuring spicy notes and a vanilla aroma. The infusion is pale, straw-pink in color and rich in theobromine and antioxidants.

LONG JING SUPERGRADE

☕☕ 33 zł

A fresh and aromatic Imperial Long Jing tea. The leaves have a delicate nutty aroma, while the flavor is rich and roasted, with notes of peanuts and chestnuts that linger on the palate. Lovers of standard-grade Long Jing will be pleasantly surprised by the depth and refinement of this higher-quality tea.

LU'AN GUA PIAN

☕☕ 32 zł

One of the most famous Chinese green teas, distinguished by its unique harvesting and processing traditions. It offers a balanced roasted flavor with a floral note, followed by a sweet finish that evolves into hints of tropical fruit.

Japan

GYOKURO (Precious Dew)

☕☕ 33 zł

The highest grade of Japanese green tea, characterized by intense umami, a sweet finish, and a high concentration of amino acids. The leaves are shaded for 3–4 weeks before harvest, giving the tea its exceptional depth and smoothness.

HOJICHA

☕ 27 zł

A Japanese roasted green tea made primarily from the stems of the tea plant. Hōjicha has a rich roasted flavor with a pleasant sweet aroma. It contains slightly less caffeine and is commonly enjoyed with meals in Japan.

JAPAN GENMAICHA

☕☕ 27 zł

A classic Japanese tea blended with roasted rice, offering a distinctive, warm flavor and low caffeine content. Ideal for everyday drinking, including for children and the elderly. The infusion combines the fresh green character of bancha with the roasted, toasty aroma of rice.

MATCHA IRI KARIGANE

☕☕ 28 zł

A high-quality Japanese kukicha from Shizuoka Prefecture, enriched with powdered matcha. It has an intensely green color, a gently sweet aroma, and a delicate flavor with notes of corn, flowers, and subtle umami. Smooth, fresh, and naturally sweet – a perfectly balanced tea ideal for everyday enjoyment.

SENCHA MIYAZAKI

☕☕ 28 zł

A delicate sencha from southern Japan. Very fresh and refreshing, with aromas of meadow flowers, grasses, and honey, and a flavor that gently recalls peaches. This is one of the lighter Japanese teas, producing a clear infusion with a clean, refreshing character. Subtle vegetal notes and umami emerge in the finish.

KAMAIRICHA ISAGAWA

☕☕ 29 zł

A rare Japanese tea produced in the Chinese style, sourced from organic mountain cultivation. Instead of steaming, the leaves are pan-fired in woks, giving the infusion a gently sweet aroma, a fruity-roasted flavor, and a long, expressive finish. An original and intriguing choice for lovers of uncommon Japanese teas.

KABUSECHA KAGOSHIMA

☕☕ 30 zł

An elegant Japanese tea that bridges the styles of sencha and gyokuro, shaded for one week before harvest. It combines the freshness and lightness of sencha with the gentle sweetness of gyokuro. The result is a clear, bright green infusion with a lively aroma and a harmonious flavor – a classic worth exploring regardless of tea preference.

Korea

SEJAK

☕☕ 28 zł

A high-quality Korean green tea, full of harmony and smoothness. It combines the grassy and marine notes typical of Japanese teas with the floral and roasted aromas characteristic of Chinese teas. Its refreshing flavor and creamy texture make it truly distinctive.

Taiwan

GABA GREEN

☕☕ 32 zł

A Taiwanese green tea with elevated levels of gamma-aminobutyric acid (GABA), an important neurotransmitter in the brain. Light, fresh, and refreshing, it offers a distinct fruity flavor reminiscent of cooked apples and tropical fruits such as lychee.

Premium

SANXIA BI LUO CHUN

☕☕ 32 zł

A gentle, elegant Taiwanese green tea from organic cultivation. It offers a delicate, complex aroma and a refined flavor with notes of lime, subtle vegetal dryness, and umami. The Taiwanese interpretation of Bi Luo Chun differs significantly from the tea of the same name produced in China.

Matcha

traditionally infused with hot water

MATCHA KARIN

 33 zł

Origin: Kyoto Prefecture, Uji

A high-quality organic matcha from Kyoto, sourced from JAS-certified cultivation. It offers a delicate, slightly sweet, and creamy flavor, with gentle cereal-like notes in the aroma. This matcha is crafted from leaves of two cultivars, shaded for up to 30 days before harvest—first with a single layer of covering, and with double layers during the final days.

MATCHA KOTOBUKI

 30 zł

Origin: Kagoshima Prefecture, Makizono

A matcha with a creamy foam, velvety texture, and low astringency. Relatively gentle, it is ideal for those beginning their journey with this noble tea, as well as for those who appreciate simple everyday pleasures. A light umami note appears in the finish. Organically cultivated and shaded for 20 days before harvest.

MATCHA UJI PREMIUM

 28 zł

Origin: Kyoto Prefecture, Uji

An intense matcha with a rich, creamy foam. Its aroma is gently marine and grassy, while the flavor is bold and energizing. Our Uji matcha has slightly more bitterness and astringency than Kotobuki or Karin, yet still stands clearly above most matcha available on the Polish market. Organically cultivated.

MATCHA LATTE / ICE MATCHA LATTE

 28/29zł

A wonderful and velvety combination of matcha tea, milk, and sugar syrup. Served hot or cold. Also available in a plant-based version with oat milk.

Green teas
